JEFFERSON COUNTY – A GROWING COMMUNITY WITH GROWING RECREATION NEEDS

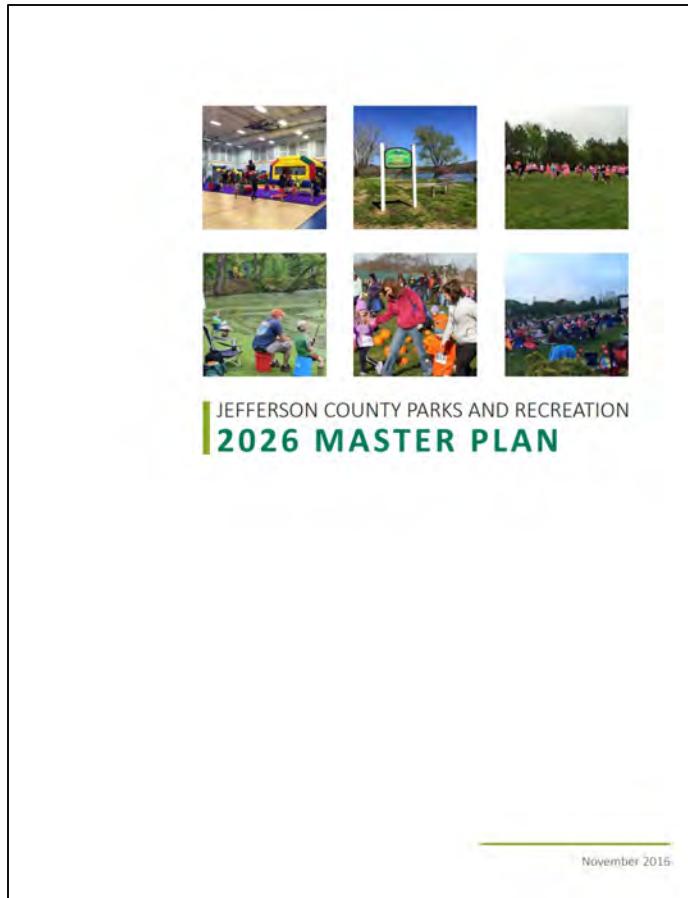

“Jefferson County has experienced significant growth in the preceding decades... Jefferson County must look towards creating livability to ensure the sustainable health and happiness of all residents.” pg. 89

“As Jefferson County has grown residents of the community have recognized the need to provide a greater range of park and recreational services to visitors and County residents.” pg. 69

“Objective 11.3 - Support the expansion of park lands and adoption of Master Plans or existing park utilization.” pg. 71

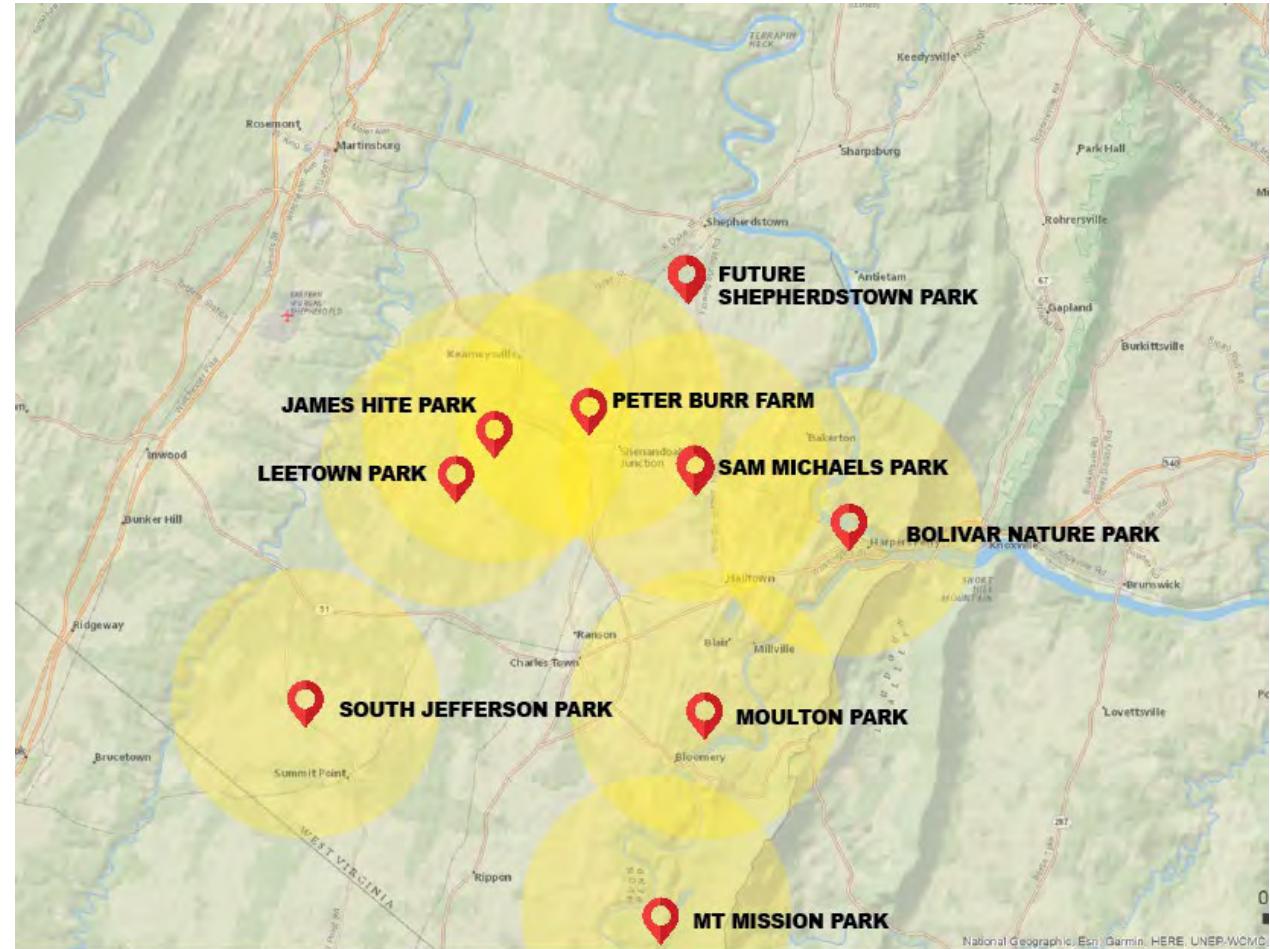

JEFFERSON COUNTY PARKS SYSTEM OVERVIEW

- Parks and Recreation Master Plan (2016) serves as a long-term blueprint for parks, facilities, and programming throughout Jefferson County.
- The Master Plan prioritizes the need for additional parkland to accommodate Jefferson County's population growth.

JEFFERSON COUNTY PARKS SYSTEM OVERVIEW

- JCPRC's park system has grown to 7 developed and 2 undeveloped parks comprising over 500 acres.
- Shepherdstown Park will help meet the growing recreational needs of Jefferson County residents by expanding access to outdoor facilities and programming opportunities.

SHEPHERDSTOWN PARK

- ~38-acre, linear site located within the 101-acre property owned by the Jefferson County Board of Education.
- Located adjacent to the new Shepherdstown Elementary School.
- JCPRC has a 30-year ground lease agreement with the Board of Education.
- No public water or sewer (use limitations)

SHEPHERDSTOWN PARK – EXISTING STATE

CONCEPT PLANNING PROCESS
